Friday - 1 June 1973

STAT

1. [ ] Met with Erik Rasmussen, Legislative Assistant to Representative Lee Hamilton (D., Ind.), and renewed the Agency's offer to brief Representative Hamilton on South Vietnamese detention or interrogation centers. I outlined again for him our relations with our oversight committees and inability to report in writing on such matters. Rasmussen appeared to be quite receptive and told me that he would take the matter up with Representative Hamilton on Monday when he returns to the city.

I met separately with Mike Van Dusen, Representative Hamilton's staffman on the Near East Subcommittee of House Foreign Affairs Committee, and reviewed with him the briefing arrangements that have been followed over the past several years with Representative Hamilton and the Subcommittee chairmen of House Foreign Affairs Committee. Van Dusen said he would speak to Rasmussen and to the Chairman to insure that this matter does not get off the track again.
